

MANAGING UNCOMFORTABLE AND/OR AWKWARD LANGUAGE IN THE INTERVIEW

**Put them at
ease:**

"I know this is a difficult thing to talk about,
but I need to ask you some questions."

**Don't police
their language:**

"Tell me what happened in your
own words."

**Ask for
clarification:**

"When you said you were fooling around,
what exactly were you doing?"

**Help them if
they struggle:**

"If it's too hard to talk about, can you
show me on this diagram where they
touched you?"

**Don't skip the
details:**

"How did you move from oral to
vaginal sex? What happened in between?"

**Reflect on
your comfort:**

If you show discomfort, they will
have a harder time opening up.
